Dear Parents and Friends

I have noticed that more and more students are arriving at school quite early. This is a concern because, officially, **supervision doesn't start until 8.30am** and that before this time, students on school premises are NOT covered by DET policy (such as insurance). While I understand that some parents need to drop off children before 8.30am in order to get to work - this is also when staff are trying to get their work done, and supervising students is a major obstacle to this.

We would ask that, if at all possible, not to send your child or children to school before 8.30.

Please be aware that if students do arrive early, only minimal supervision will be given and that they must stay in the library doing quiet activities until 8.30am.

The Heritage Country Schools Art Show

which was held at Blayney High School last Monday 15th November was a great success. Three Lyndhurst students' works were selected to win prizes: Daryia Merlino, Crystal Hart and Kylie Cardilini-Orton. Congratulations to those three, and to all our artists - there was a very high level of creative talent on display.

Just a reminder that the last Yr 6 High School transition day for 2010 is on this Thursday, 25th November. Usual arrangements for transport apply. Please fill and return the permission note if you haven't already done so.

Copies of the Heritage Herald have finally been able to be printed and will be sent home on Monday or Tuesday.

 Cheers,
Sally Beer
