2 <sup>nd</sup> Aug	Open Morning from 10am
	Food Intolerance presentation at 3.15pm
3 <sup>rd</sup> Aug	District Athletics carnival
15 <sup>th</sup> Aug	CWA International Day

## Dear Parents and Friends,

**Education Week....** A reminder that this week is education week. Our school leaders attended a luncheon with young school leaders from all the Heritage Country Schools at Carcoar yesterday. We were privileged to listen to speaker Robin Dunlop talk about the inspiring work she is doing with music and creative arts in East Timor. All of the students enjoyed listening to and then talking with Robin.

On Thursday at 10am our school parents and friends are invited into the classrooms and can join in the lessons, followed by morning tea.

**At 3.15pm, there will be a short video presentation on food intolerances** and their affect on us all. If you are having problems with your children's health or behaviour, this might prove a real eye-opener.

**Jeans for Genes SRC fundraiser....** the SRC are asking everyone to please wear their jeans on Wednesday to support Jeans for Genes. **The \$3 donation includes a BBQ lunch.**

**Blayney District Athletics Carnival** will be held on Friday 3<sup>rd</sup> September starting at 9am for the students who are in the HCSS Athletics team. The P&C are asking for canteen helpers to lend a hand even for half an hour during the day.

**Little Learners** are off to a fantastic start with a busy 2 days of fun and learning. On Thursday they all went exploring "under the sea" with Mrs Stanley – reading books, singing songs and making some fabulous sparkly fish. With Mrs Hawken in the K-2 room on Friday, they had fun with playdough, practised tracing their names, started learning about shapes by tracing and cutting out circles and spent some time doing literacy programs on the computers, amongst lots of other busy activities. No doubt they needed the weekend to rest! If anyone knows of other potential "little learners" please let them know about our transition program.

*After our excursion to Bathurst last week, one of the CSU teaching students, Megan Norrie, was so impressed with our students that she came to visit last Friday and had a lovely day here. She has asked to come back again soon and we are more than happy to welcome her.*

With this newsletter are 2 examples of student writing about our day in Bathurst.

Finally, a reminder that we have hot lunches available on Fridays for \$2.50.

*Sally Beer*
