The term so far...

Congratulations to the relay team who competed in Dubbo last Friday for swimming! The girls came third in the PP5 relay and secured a place in the Western Region team to compete in Sydney in early April. Very exciting! Information will be sent home to all participants as soon as we receive it.

Congratulations also to our creative team of staff and students for their winning entry in the Blayney Show Poster competition - "Farming in Space". We will display the poster in our

library for those who didn't make it to the show.

Thank you to all of the parents who attended the P&C meeting last Thursday and a big thank you to those parents who have taken on executive roles. Our 2013 executive is: President & Treasurer – Lizanne Blackburne; Vice-President – Tracey Lapham and Secretary – Katrina Gillham. The P&C minutes will be included in the next newsletter.

Urgent Reminder for Stage 3: P S C Sports Leaders permission notes must be brought in tomorrow! We are providing a bus to take students in to the high school. In the afternoon, I will meet them and walk them back to the swimming pool to catch the bus back to Lyndhurst with the rest of the students.

Something to think about...

Reading is like everything else we do: it must be practised and consolidated if the skills are to develop and be maintained. I strongly encourage every child to borrow each week from the library. Mrs Colson continues to buy new books for the library to ensure there is a large range of different reading materials. To borrow we would like each child to bring a library bag to help protect the books that are borrowed. Parents are also welcome to borrow from the range of reference books we have in the library for parents.

I continue to push the homework barrow but... each student is set homework in accordance with

DEC policy and it is expected that students will complete the tasks set.

School uniform....

A few changes to our uniform are currently creeping in. We are a uniform school and we do look fabulous when we are all dressed in our uniform.

Special lunch

School Photos...

A form was sent home last week for school photographs. Kim Lees is offering her professional skills at a very reasonable rate – much less than those of larger commercial photographers. She has also included the option of a CD which will contain extra photos from which you can print as many copies as you wish. Please return the form and money by Thursday 21st March.

Heritage Schools' Stage 1 Excursion...

A very interesting excursion has been organised by Mrs Rutherford and Mrs Stanley for all stage 1 students. They will “travel back in time” to Millthorpe Golden Memories Museum for a day learning about how we used to live and engaging in fun, practical activities. The day will only cost \$15 and will include morning tea. Please fill in the permission note and send it back to school with the money by Friday 22nd March.

Combined Easter Service...

Lyndhurst will be hosting the Easter Service this year at the Memorial Hall in Russart Street. Morning tea will be provided back at the school after the service. All friends, family and community members are warmly invited to attend.

Have a great week!
