Term 3 so far...

It's hard to believe it's week 6 already! We still have a few busy weeks coming up before the end of term - as you can see from the diary dates above. Sadly, we have had to farewell Miss Elise Clough who had taken on Mrs Hawken's 2 days a week role as Learning Support and Teacher Release. Miss Clough has obtained a full-time position elsewhere and we are very pleased for her. She was a lovely addition to our staff and we will miss her capable, positive and cheerful presence. However, we are very lucky and pleased to welcome Mrs Louise Hopkins, who was available to step in and take on this role. She is also an excellent teacher and team member!

Apologies for the lateness of this issue of the newsletter but we've had a raft of things, technical and otherwise, which have delayed it.

Touch Football Fun Day... is on again on Friday 6th September at King George Oval, Blayney. This is strictly a social day with the emphasis on having fun and learning skills not on competition. A permission note will come home for students in Years 3-6, who are eligible to take part.

Book week... yes it's that time of the year again when the costumes get dusted off and our favourite characters come to life. Our book parade will be held on Wednesday 11th Sept the second last week of term. This day will be a celebration of literacy and the wonderful adventures books provide us with. The theme this year is "Read Across the Universe". More details in our next newsletter.

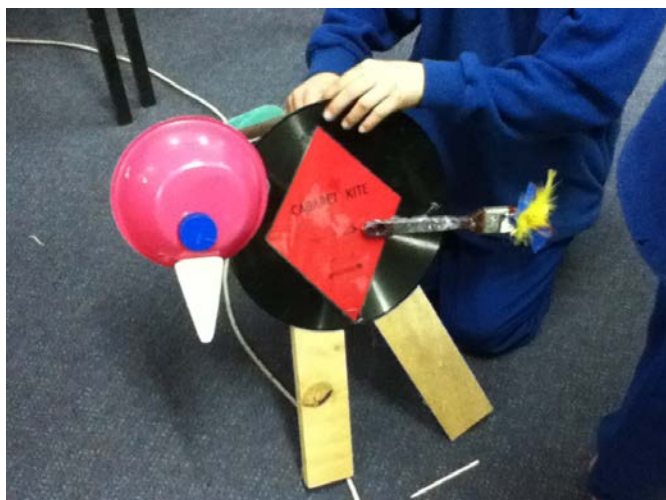

Yr 6 Transition to High School... Permission notes for Year 6 students will come home to take part in the Term 3 e² experience at Blayney High School. As in previous terms, they can catch the high school bus if they have permission. **The bus note needs to be given to the bus driver on the day.**

Spring Spectacular... K-2 students are busy getting organised, and getting very excited about, their mini-fete on the 13th September. More information about this is attached to the newsletter.

Stage 2 Excursion... Just a reminder to anyone who hasn't returned their notes and/or money to please do so as soon as possible for the end of term excursion.

CWA International Day... is also on the 18th Sept at 2.00pm in the Lyndhurst CWA hall. Our students will be presenting a song and displaying their posters and pamphlets on Morocco, this year's country of study.

JIRBS and Theo and the Lion... What is a JIRB I hear you ask? Well, it's a bird made from "found objects" (also known as junk). Some fabulous creations were made by our students as part of a community art project based on the play "Theo and the Lion" which we'll be seeing at the BMEC in a few weeks. They will be on exhibit at the Bathurst Art Gallery from the 16th to the 18th September. If you happen to be in Bathurst around then, drop in and have a look or go to our website where we'll post some photos soon.

Some JIRBs being created.

Crunch and Sip... All the students are really enjoying their Crunch & Sip break every day. Children are asked to bring a piece of fruit, fruit yogurt, crunchy vegies (carrot, celery) or cheese and biscuits every day as part of our healthy eating program.

Book Hunt... Fantastic to see that some of the large number of books - including home readers, class readers and library books - which have been taken home and are at present AWOL, are starting to come back to school! During the weekly bedroom clean up, it would be great if you could please round up any you find with the school stamp and send them back in. To help with the search, a list of overdue library books will be attached to your newsletter. They are expensive to replace and are a precious resource for our school and the children.

Year 2 transition into primary room... each Friday Year 2 students are coming to work in the primary classroom to get a taste of things to come. Friday activities include sport, literacy, maths, science and art. They are coping remarkably well and really enjoying being "senior" students.
