

SCHOOL NEWS

SENIOR MATHS

Our primary students are revisiting place value! They are learning to flexibly rename numbers using place value parts of thousands, hundreds, tens and ones!

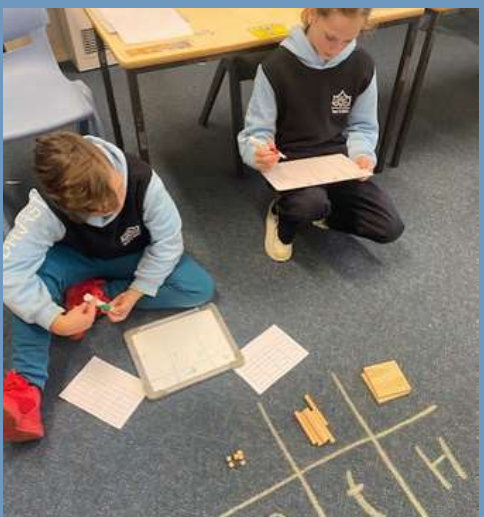

Well done to Savannah who worked in the thousands!

DISTRICT ATHLETICS CARNIVAL

Once again, the District Athletics Carnival has been postponed due to the condition of King George Oval which makes it unsafe for the students.

The new date is Friday 2nd August.

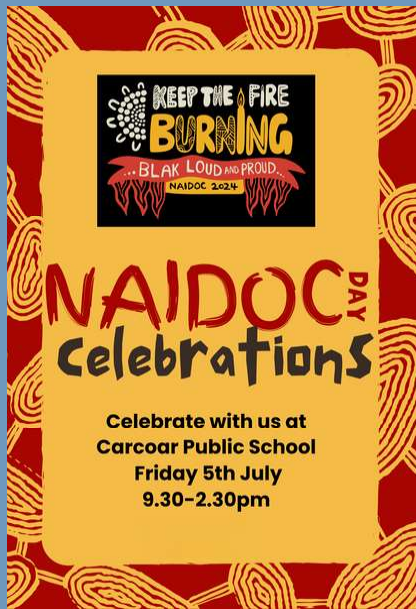

YEAR 6 – 7 TRANSITION

Our Year 6 students have begun their transition days to the local high schools. Just as pre-schoolers look forward to coming to big school, our Yr 6 students look forward to moving on to an even bigger school!

The change from primary to high school is a big one. These transition days help the students to experience what it will be like to be more independent and negotiate their way around a larger campus, transport, multiple teachers, and new friends.

This is an exciting time for Conah, Louella, Myeisha & Kahleyah.

HOUSEKEEPING

All Homework Club bookings should be made by text directly with Karyn on 0411 744 464.

Please check and treat your child/ren for headlice during the holiday break.

Please remember to pay for your lunch order via School Bytes and send your selection to the school via text. This can be done at any time up until 11am each Friday.

Please use the School Bytes app to communicate any absences for your children. You will receive a message around 9.30am if your child has an unexplained absence. You can then complete the absence reason if you have not already done so.

A FINAL WORD FROM MRS KOVAC

Thank you to all of the school families and staff for your support over the past 5 years. I am excited to be moving on to a new phase of my life caring for my growing family and travelling.

I am confident to leave you in the very capable hands of Mrs Amylee Knight. Amylee visited the school last week and is very much looking forward to working with you all to make LPS even more fabulous!

I wish the very best to each and every one of you. Your children are a credit to you and I look forward to hearing about all of the wonderful things they achieve in the future.

Stay fabulous!

Christine Kovac | Principal
